NYE COUNTY, NEVADA RESPONSE TO LSNA QUESTIONS

Following are Nye County, Nevada (Nye County), comments to the December 17, 2009 correspondence from the Licensing Support Network Administrator, Mt. Dan Glasser. On December 22, 2009, Construction Authorization Board 4 (CAB04) issued an Order which provides in part, "any party that wishes to comment in writing on the LSNA's memorandum is encouraged to do so, preferably no later than January 21, 2010."

Nye County has no information concerning Mr. Glasser's first two questions, so no response can be provided. As to Mr. Glasser's third question, Nye County intends to retain its LSN document collection in a manner that will protect the integrity of the collection on either CD, DVD, or a website, with hard copies prepared for backup. Documents and header information which comprise the vast majority of Nye County's LSN collection could be made

1 Nye County is also in possession of non-documentary information pertaining to Nye County's Early Warning Drilling program and this proceeding. That information includes water and rock core samples and other non-documentary data and information. Absent extraordinary circumstances, this information and data will be protected and retained by Nye County long after its mandatory retention obligation under Nevada law, unless or until such retention becomes unfeasible.
available to parties in a searchable form by providing copies of the CDs or DVDs. Copies of the CDs and DVDs and backup hard copies would be archived with an appropriate Nye County agency.
