REID STATEMENT ON COURT OF APPEALS YUCCA RULING

Reno, NV—U.S. Senator Harry Reid of Nevada issued the following statement in response to today’s U.S. Court of Appeals ruling on Yucca Mountain:

"We are still reviewing the decision, but it is my understanding that the court's ruling simply stated that this case wasn't ready for adjudication, and invited us back when the DOE makes its decision on Yucca.

"We have additional cases that are still pending, but let's be clear--Yucca Mountain will never be built and will never open. Despite the federal government's determination to dump the nation's nuclear waste in Nevada, this project is dying. This is a fight Nevada will win."
